SUMMARY

Final-year B.Tech student in Artificial Intelligence and Data Science with hands-on experience in Python, SQL, and ETL pipeline development. Designed modular data validation workflows and scalable processing systems using Pandas and PySpark. Strong foundation in data structures and software engineering fundamentals.

PROJECTS

Autocleanr — Data Cleaning & Validation Pipeline.
Tech Stack: Python, Pandas, SQL, CSV
• Designed a modular data preprocessing and ETL pipeline to clean, validate, and structure raw CSV datasets
• Automated handling of missing, malformed, and inconsistent records
• Separated clean and invalid records to improve downstream data reliability and built as a foundation for scalable data engineering pipelines.

Autocleanr-scale — Distributed Data Pipeline (In Progress)
Tech Stack: PySpark, Python, Parquet, Data Analysis
• Extending the autocleanr pipeline to handle large datasets using PySpark
• Adapting data validation logic for distributed execution
• Learning performance considerations and scalable ETL design.

Layoff Dataset — Data Cleaning & EDA
Tech Stack: SQL
• Cleaned and standardized real-world layoff data across companies, locations, and time periods
• Handled missing values, duplicates, and inconsistent formats using SQL
• Generated structured datasets suitable for analysis.

EXPERIENCE

IoT Intern – e-YANTRA | June 2023 – July 2023
• Processed real-time IoT sensor data using Python
• Validated readings and improved data accuracy

SKILLS

- **Data Engineering**: ETL Pipelines, Data Cleaning, Data Validation, Data Ingestion
- **Programming**: Python (Pandas), SQL
- **Big Data**: PySpark, Parquet
- **Tools & Platforms**: Git, GitHub, VS Code
- **Additional Exposure**: Machine Learning fundamentals, CNN basics

ACHIEVEMENTS

• Winner – Idea Pitching Competition conducted by NABARD (MABIF) | Cash Prize ₹25,000
• First Place – Masters Query Madness (SQL), TCE College | Cash Prize ₹2,000
• Toastmasters International – Humorous Speech Contest (Club Level: 2nd Place, Area Level: 3rd Place)

EDUCATION

B.Tech., Artificial Intelligence and Data Science • CGPA: 8.25/10
Sethu institute of technology • Virudhunagar, Tamil Nadu • 2026

12th • 81.8%
Ramco Vidyalaya • Virudhunagar, Tamil Nadu • 2022

10th • 91.4%
Ramco Vidyalaya • Virudhunagar, Tamil Nadu • 2020

CERTIFICATIONS

• Python for Data Science, AI & Development – IBM (Coursera) – Credential: Verified Certificate & Skill Badge
• Prompt Design in Vertex AI – Google Cloud – Credential: Skill Badge
• Human–Computer Interaction – NPTEL – Score: 93% | Gold Certificate.

LEADERSHIP EXPERIENCE

- Secretary, SIT Toastmasters Club 3 - Jan ’24 - Jun ’24
- SAA, SIT Toastmasters Club 3 - Jul ’24 - Dec ‘24
